You've been had!

The people who run the Parkdale Tenants Association are: Bart Poesiat, Community Legal Worker, Parkdale Community Legal Services a Legal Aid Ontario legal Clinic, and Paul Denison and Max Wallace who under contract to Parkdale Legal, and Max's wife Morag York, working in the Ontario Ministry of Energy, none of them tenants.

The following quotes Bart Poesiat as being the real Chair of the Parkdale Tenants Association

So why are homeowners and landlords claiming to represent tenants and why are they running a "tenants association"?

These people all work for Parkdale Community Legal Services a nonprofit ironically funded by the government and they are out for publicity to raise the profile of their organizations.

Also two of the people are on contract to the clinic and they run out at about the time this campaign is to really begin in February so this will force an extension of their contracts or for them to be hired as full employees.

And it is also for revenge against their political enemies.
